

What we do

GOLDEN seeks to inform Black students about the career of genetic counseling. Our goal is to increase the number of black genetic counselors by providing group mentorship and resources to mentees through our network of black genetic counselors and current students.

The role of genetic counselors in patient care

Genetic counselors are master's level trained healthcare professionals who specialize in increasing awareness of the role that genes can play in the development of diseases

Connect with us on social media

-  LinkedIn: [GOLDEN Genetics](#)
-  Instagram: [@GOLDENDNA2](#)
-  Twitter: [@GOLDENDNA2](#)
-  TikTok: [GOLDENDNA2](#)

Group mentoring sessions include:

- Discussions about the different roles of genetic counselors
- Reviews of hot topics in genetic counseling
- Presentations on how genetic diseases impact families
- Workshops on becoming a competitive graduate school applicant

Other resources:

*Mock graduate school interviews
Professional writing assistance*
